PARTNER MICRO ASSESSMENT

As a Citrix Platinum Partner, our goal is to enable you and your team to get the most out of your Citrix Virtual Apps & Desktops deployment. Part of our partnership includes a half-day Micro Assessment of your Citrix Virtual Apps & Desktops environment to determine configuration changes that could be made to improve user experience, security, or management of the solution following Citrix recommended practices.

ASSESSMENT GOALS

We will assist you in identifying strengths, weaknesses, opportunities, and threats (SWOT Analysis) in your Citrix Virtual Apps & Desktops environment and present you with features and benefits that you may not be leveraging today.

ASSESSMENT PROCESS

One of our senior XenTegra consultants will collaborate with you and your team remotely for up to four hours. Together we will review your Citrix Virtual Apps & Desktops environment with the option of leveraging additional monitoring tools for added visibility.

ASSESSMENT VALUE

Using Citrix and XenTegra recommended practices, we may identify concerns, issues or deficiencies in the environment's current state. XenTegra will provide you with a documented deliverable of findings & recommendations.
