XenTegra recognized as No. 45 on the 2022 CRN® Fast Growth 150 List
CRN® Pays Tribute to Leading IT Solution Providers for Exceptional Sales Performance

Charlotte, NC August 8, 2022 – XenTegra, a leading IT solutions and services provider, announced today that it has earned a prestigious spot on the 2022 Fast Growth 150 list, published annually by CRN®, a brand of The Channel Company®, landing in 45 place. The CRN Fast Growth 150 list recognizes the fastest-growing North American IT solution providers and technology integrators for significant sales growth—driven by forward-thinking business strategy, strong technology know-how and services prowess—demonstrated over the previous two years.

To maintain consistent growth within the highly competitive and rapidly evolving IT industry, solution providers need to constantly evolve to keep ahead of consistent changes within the market. CRN's Fast Growth 150 list acknowledges companies that have crossed this lofty threshold and demonstrated an ongoing dedication toward success and innovation.

"Building and serving our community of customers and partners is at the heart of what we do at XenTegra. Being recognized by CRN as one of the fastest growing 150 companies is a great honor and milestone showcasing how we work tirelessly every day to stay true to our mission both in the United States and across the globe. We take pride in knowing that as our business grows, so does our community!"
 Andy Whiteside, XenTegra CEO

"Despite the near-constant disruptions and unforeseen challenges today's IT companies face, they must still be ready to adapt and change at a moment's notice. With the CRN 2022 Fast Growth 150 list, we honor those IT solution providers that have managed to thrive in an industry where stability is often a luxury," said Blaine Raddon, CEO of The Channel Company. "The companies that earned spots on this year's list represent the very best in business acumen and strategy, inspiring fellow industry members and proving that with perseverance, meaningful growth is attainable in even the most chaotic business climates. On behalf of CRN and The Channel Company, I wish a heartfelt congratulations and continued success to all companies featured on the 2022 Fast Growth 150 list."
